

Burton Green Parish Council

Minutes of Meeting held on Monday 21st May 2018 at 7:30pm at Burton Green Village Hall, Hodgetts Lane, Burton Green

Present: **Parish Councillors:** Councillors Taylor (Chair), Grant (Acting Chair), Watkin, Marshall, Green Leeson and Gibbs
District and County Cllrs: Councillors Illingworth, Cooke, Hill and Coker
Clerk: Louise Baudet
Public Attendees: 10 members of public were in attendance. Sam Cox and Susan Bridges, HS2 Groundwork

Min No.	Item
	<p>The meeting was preceded by a presentation by Groundworks UK Limited on Community Funding provided by HS2. Copy of presentation in Appendix A. Questions were put by Councillors and members of the public :</p> <ul style="list-style-type: none"> • Q : Would projects related to the actions and post-HS2 development, such as a new Village Hall for the parish which could not be built until after HS2 and also new playground equipment, still be able to access Community Benefit Fund, particularly as successful grants have to start within 6 months of being awarded. A: an Independent Panel would ensure that funds would still be available, there may be some flexibility with the 6 month restriction. It was important that the community formally register their desire of what they want to do as there may be other ways of funding projects – at the moment there is no formal request being received by HS2 and a letter should go to Jonathan Lord the Chief Executive. • Q : Is there a limit on the number of organisations from a Parish applying, or the number of applications submitted. A : There is no limit and if unsuccessful an organisation can submit a bid again 6 months later • Q : Would HS2 be able to look at the improvement of the cycle path and pedestrian way A: It was suggested that discussion are had with the Local Authority first as they have received funding from the Department for Transport to deliver Road Safety Projects. It was understood that the Local Authority would be undertaking surveys first. • Q : Where are the Grant Panel meetings held A: These are in various locations. • Q : Clarification was sought as to how far 1km is from the route (at which point) A: This varies between project but should be the nearest point.
