

Burton Green Scarecrow Competition 2016 – Open to all!
Guidelines for entries

Maximum height of scarecrow is 2 metres.

Your scarecrow should show resourcefulness and creativity! Try to incorporate natural materials and / or recycled or found objects.

Your scarecrow should be freestanding, so that it can be staged along the Greenway without disturbing the vegetation and wildlife. It could be upright or sitting down or be perched in a tree – you will be able to choose how it is displayed and the location.

You may use props or accessories to enhance your Scarecrow, but the organisers cannot be held responsible for any loss, damage or theft of these items, or of the Scarecrows themselves

Your scarecrow should be inoffensive and designed in good taste and decency for a family audience.

Entries should be brought to the Village Hall for registration on Saturday 18 June between 10 am and 12 noon. You will then be given an entry number and you can then install your scarecrow on the Greenway ready for the exhibition. Cromwell Lane Bridge – National Grid Wood entrance along the Greenway Scarecrows should be collected from their positions after 5 pm on Sunday 10 July. Any scarecrows uncollected after 6 pm on Monday 11 July will be removed to the front garden of 293 Cromwell Lane for collection & subsequent recycling.

The Made in Burton Green group reserves the right to photograph entries for promotional purposes, and the photographs will belong to the group.

If a scarecrow is deemed unsafe in any way, the organisers reserve the right to remove it.

You will be asked to give your scarecrow a name for the exhibition, so use your imagination to bring him / her to life and have fun getting creative!

Competition Voting slips & sculptural trail maps will be available at the Village Hall 24th June, 12 noon -5pm & 25th June, 10am-4pm Results announced at 4.45pm at the Hall
