

**Made in Burton Green 2016**  
**Press Release, 20 June 2016**

Don't miss ***Made in Burton Green 2016***, a community arts project in association with Warwickshire Open Studios, which celebrates arts and crafts in the local community. The village is hosting a weekend of events on 25 & 26 June to showcase the creative talents of residents, with the outdoor exhibits in situ between 18 June and 10 July.

This year's event will incorporate an exhibition, a scarecrow competition and a sculpture trail on the theme of "Larger than Life", and visitors can enjoy them all with a short circular walk taking in the Kenilworth Greenway and the National Grid Wood. Local community groups, nurseries and the school have also contributed to this community project so come and see what we've been up to in the woods - younger visitors will particularly enjoy our Peter Rabbit and Hungry Caterpillar exhibits!

The exhibition at the Village Hall will feature photography, painting, ceramics, jewellery and textiles, with craft demonstrations and opportunities to purchase works and to talk to the artists. Opening times are 12pm to 5pm on Saturday 25<sup>th</sup>, and 10am to 5pm on Sunday 26<sup>th</sup> June. Refreshments, light lunches and home-baked cakes will be available, and the Village Choir led by Seb Farrall will be performing at 4pm on Sunday 26<sup>th</sup>.

The scarecrow competition will be held during the weekend, and visitors to the Made in Burton Green events will be encouraged to vote for their favourite scarecrow, with the winner announced on the Sunday afternoon. The scarecrows will be exhibited along the Greenway at Burton Green and maps of their locations will be available for visitors. The winner will be announced at 4.30 on Sunday 26<sup>th</sup> at the village hall.
